Daca citesti aceste randuri esti deja la locul potrivit. Priveste in jur si observa atat ambientul inspirat atat din estetica post-coloniala, designul relaxat si cosmopolit, atmosfera civilizata, calitatea serviciilor asigurate de o echipa tanara si pozitiva si nu in ultimul rand produsele preparate dupa o reteta proprie.

Am gandit Bazaar ca un mix eclectic de decor, meniu si atmosfera, decorat cu gandul la parterul unui hotel de lux din Havana de dinaintea revolutiei lui Castro. Unic prin decor, meniu si muzica, Bazaar nu este doar un restaurant, bar, sau club, ci toate la un loc. Fie ca vorbim de un pranz de afaceri, un brunch cu colegii, o evadare din cotidian, un drink cu prietenii, o cina romantica, o sueta intelectuala la un pahar de vin sau o noapte de weekend plina de dans si cunoscut oameni noi.

Daca e weekend, vei remarca ca imediat dupa miezul noptii suspendam atmosfera de lounge, coboram luminile si ridicam volumul muzicii pentru un party pe ritmuri groovy, cu arome jazzy, soulful, funky sau disco.

Bazaar este gazda calda care inchide dupa tine usa catre restul orasului, e locul care se transforma de la o ora la alta in jurul tau.
